UNIVERSITY of PENNSYLVANIA MUSEUM
of ARCHAEOLOGY and ANTHROPOLOGY

Dear Mr. Dae-Hern, Kim 김 대현,

On behalf of the Penn Museum, I would like to express our appreciation of your kind gift of **1Korean kite**. Our staff have enjoyed seeing modern versions of the ethnographic Korean kites in our collection and your gift has allowed us to understand them in a new and informative way. In particular, since we are not able to actually fly the kites in our accessioned collection, it has been a treat to see the kites as they are meant to be seen in use and in flight.

We hope that the kites will be used by the Penn Museum community for years to come. It is the passion of enthusiasts like you that truly make museum collections come alive and with your gift we hope to be able to share this enthusiasm with our staff and visitors.

With respect, friendship, and thanks,

James R. Mathieu, Ph.D.
